

# CENTRAL NOBLE COMMUNITY SCHOOL CORPORATION

## OUT OF DISTRICT TRANSFER REQUEST

Thank you for considering Central Noble Community School Corporation as a place where your son or daughter can receive an outstanding education. We recognize that each school district in the state of Indiana offers a unique educational experience. We also recognize that a student's school corporation of legal settlement (IC 20-26-11) does not always meet the needs of that child. Therefore, the Central Noble Community School Corporation Board of School Trustees adopted a student transfer policy that will allow students who reside in another school district to attend Central Noble Community School Corporation. The policy includes several criteria that are listed on the back of this application. By completing this application, the Central Noble Community School Corporation administration will review your request to transfer to verify that your request aligns with the transfer request policy.

## CENTRAL NOBLE COMMUNITY SCHOOL CORPORATION

The decision by the Superintendent to recommend acceptance of a non-resident student will be based on:

- The financial impact of the enrollment of the student on the resident students (inclusion of the student in the ADM count);
- The student's attendance and academic record at the previous school of attendance and status regarding graduation;
- The availability of curricular or program offerings that are specifically aligned with the student's demonstrated academic or career aspirations;
- The student's disciplinary record at the previous school of attendance;
- The class size and program capacity of the school/grade level in which the student requests to enroll;
- The willingness and ability of the parents, guardians or custodians to provide transportation to and from the school and extra-curricular activities as appropriate; and
- The compatibility of the proposed enrollment with the standards of organizations with which the school corporation is affiliated, such as the Indiana High School Athletic Association.

Non-resident students will not be accepted after the first student day of each school year.
